

# ERIAFF Network

The European Regions for Innovation in Agriculture, Food and Forestry is a network created on September 19th 2012 by a core group of 24 European Regions, at the initiative of the Regional Government of Tuscany.

**85 Partners: 47 Members and 38 Observers from 19 European Countries + Ukraina**

# ERIAFF Network

With an informal structure, ERIAFF has allowed **European Regions** to organize themselves into dynamic networks on diverse aspects related with Agricultural Innovation, becoming facilitators of both **information flow** and **links** between stakeholders across their territories as well as across Europe.
