Scanning report Water and Nutrients pcfuit year 2	PCFRUIT-WPS-A3
Scanning report fruit thinning pcfuit Year 2	PCFRUIT-WPS-A2

# In 2018, the EUFRIN BOARD agreed:

- To sustain the Knowledge Platform by continuing to upload ONLY relevant material
  - Relevant: scientific and industrial articles, technical bulletins, videos (all with UK summary)
  - Not relevant: open days / local events / photos
- EUFRUIT Board committed to share costs of EUFRIN & EUFRUIT website moving forwards, hosted by AU
- Cost is ca. 1400 Euro per year / 20 partners = ca. 70 Euro per partner (payment to start in 2020)
- WG Chairs to promote uploading of material on the Knowledge Platform by their WG
- The KP is now open to all EUFRIN Board members who were not part of EUFRUIT to upload material (AU can add users, contact Michelle for a username and password)

Are there any remaining discussion points?
